11th November 2020

Audley Square Redevelopment – Welfare Cabin Installation (New Dates)

Dear Neighbour,

Further to our letter to you dated 6th November 2020, I am writing to inform you of a change of dates for our welfare cabin installation. Instead of the delivery and installation taking place, as planned, on Saturday & Sunday, 14th & 15th November 2020, we will now be receiving the deliveries and carrying out the installation across two Saturdays, 21st & 28th November 2020 from 8:00am to 6:00pm.

Due to the size and nature of the welfare cabins, the delivery of these cabins is subject to restrictions by the Met Police's movement orders for 'wide loads', which stipulates the delivery must take place in the early morning or late evening outside peak traffic hours, with no restrictions in place on Sunday. Careys initially reviewed the impact of out-of-hours deliveries on the community and decided that the Sunday was best in mitigating disturbance to neighbours. However, following representation from our neighbours, we have agreed to amend the delivery and installation to take place over two Saturdays.

For all deliveries, the delivery route will be approaching from Berkeley Square along Hill Street to the site entrance on Waverton Street. From there, each delivery unit will be crane-lifted into place on South Audley Street.

We will not be required to close any roads; however, we will need to temporarily close the parking space in front of 3 Audley Square to install a Mobile Elevated Work Platform (Cherry Picker) to connect the welfare cabin units.

For immediate assistance or questions regarding these works, please contact Neighbour Liaison Manager Alahna Dunbar at AudleySquareNeighbourLiaison@careysplc.co.uk or by phone at 07738 621 992.

For more information about the project, or if you have any enquiries in relation to the development please contact AudleySquareHouse@kandaconsulting.co.uk.

With kind regards,

Alahna Dunbar
Neighbour Liaison Manager
