

**Dear Neighbours,**

**2 April 2025**

Further to my earlier notification, please note that the welfare container cabins located along South Audley Street will be removed from site over the following revised dates:

From 8am Saturday 5 April to 9pm Monday 7 April  
From 8am Saturday 12 April to 6pm Monday 14 April

As all the activity will be conducted during daylight hours over consecutive weekends, Westminster City Council (WCC) has approved these out of hours works with very stringent conditions regarding noise, light and general disruption. To this end, all operatives have been instructed to conduct all operations with the minimum of noise and disturbance and in all circumstances, we will be adhering to our Best Practicable Means (BPM) measures throughout. All risk assessments and method statements have been written with this in mind.

A mobile crane and low loader vehicle will be situated in South Audley Street (see schematic below). The low loader will access the works area by reversing down South Audley Street from Curzon Street and once loaded will drive back along the same route to leave Mayfair via Park Lane.

Traffic restrictions and road closures will be clearly displayed well in advance.

**Sequence of events:**
